Illinois Commerce Commission Announces E-Docket E-Mail Notification

Springfield--The ICC is pleased to announce that eDocket now features an email notifications option.

Simply search for the case you are interested in tracking, click on email notifications and enter your name and email address. It's that easy.

Once your email address is verified you will begin receiving emails when a document has been accepted in that case.

We hope that you find this new, no cost addition to our online services beneficial in your work.

About the Illinois Commerce Commission

The Illinois Commerce Commission's mission is to pursue an appropriate balance between the interests of consumers and existing and emerging service providers to ensure the provision of adequate, efficient, reliable, safe and least-cost public utility services. The Commission pursues this mission through three bureaus: The Bureau of External Affairs, which provides educational information on utility issues for consumers, governmental entities and communities and through its Consumer Services Division, resolves customer/utility disputes and develops rules on utility service and consumer protection; the Public Utilities Bureau, which focuses on financial and operational analysis, policy development, public safety and enforcement activities related to electric, natural gas, water, sewer and telecommunications companies; and the Transportation Bureau, which includes trucking insurance and registration, railroad safety, relocation towing, safety towing and household goods moving company enforcement activities. The ICC's five commissioners are appointed by the Governor and approved by the Illinois State Senate for five-year terms.
